NOTIFICATION.

PRINCE OF WALES' ROYAL INDIAN MILITARY COLLEGE, DEHRA DUN.

No. 1.—(1) In connexion with the admission of candidates to the Prince of Wales' Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates.

The College provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter the Indian Military Academy, Dehra Dun, or the Royal Air Force College, Cranwell, England, with a view to obtaining Commissions in the Indian Army. It is intended for those who wish to make the Army their profession in life. The course of study at the College will, however, be such that, should a boy fail in the Army and Air Force Entrance Examination, he will be in as favourable a position for entry to a university as if he had been educated at an ordinary school.

(2) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Provinces of British India;
(b) Indian States.

Nominations will be made by His Excellency the Commander in Chief on the recommendation of the Local Government or Administration or the Political Officer, as the case may be.

(3) Candidates must have attained the age of eleven years and be under twelve years on the 1st August 1933.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with the Appendix A to this notification.

(5) The fees will be Rs. 1,500 for each school year and are liable to enhancement hereafter, if circumstances require. These fees will include tuition, messing, school servants, washing and mending and medical attendance of the ordinary kind, and, as initial provision, one suit of the uniform to be worn by students when at the College.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the College authorities, on his entering the College, the sum of Rs. 50 which will be returned when the cadet finally leaves the College provided that all dues have been paid.

In the event of it becoming necessary for cadets to be admitted into a civil hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the College. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration.

Parents or guardians of candidates who are sons of Indian Officers of good service are informed that owing to the present financial stringency no reduction of fees will be granted for some years to come.

(6) Entry to the College will not be open to candidates who are already married.

(7) Parents or guardians of candidates are required to attach to the applications a declaration (in duplicate) in the following form:—

"I, _____ father / guardian of _____, a candidate for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, declare that it is my desire that my son / ward should make the Army his profession in life.

"I, _____ father / guardian of _____, a candidate for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, having made myself acquainted with the fees payable at that College, and subsequently, at the Indian Military Academy, Dehra Dun (viz., Rs. 4,500 for a course of three years), and at the Royal Air Force College, Cranwell, England (which are, for the present, laid down in paragraph 37-A of the Provisional Regulations respecting admission of Indian gentlemen to the Royal Military Academy, Woolwich, the Royal Military College, Sandhurst, and

the Royal Air Force College, Cranwell' as inserted by amendment No. 7 of October 1931), am able and willing to pay the prescribed fees and meet the incidental expenses.

I also understand that in the event of my son/ward not adopting the Indian Army as his profession for reasons *within his control or mine*, I shall be required to pay the full cost which Government may have incurred on his education at the said College.

"I, _____, father/guardian of _____, a candidate for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, hereby declare that my son/ward is unmarried and that he will remain a bachelor whilst at the College and until he has completed, subsequently, a course at the Indian Military Academy, Dehra Dun, or the Royal Air Force College, Cranwell, England."

Signature of parent or guardian _____

(8) One general mess will be maintained. All students will be required to mess together. Special care will be taken that no food is served in the mess which could in any way offend the religious susceptibilities of any student.

(9) All applications should be submitted to the Private Secretary to His Excellency the Governor of Madras, Madras Governor's Camp, not later than the 15th May 1933 in the form below. No applications received after the 15th May 1933 will be considered.

1. The cadre of any provincial or subordinate service or of any class or grade therein shall, unless otherwise directed by the Local Government, be deemed to be increased by the number of posts by which such cadre was reduced by the operation of sub-clause (*a*) of clause (1) of the rule published with the said notification and in lieu of which the cadre was increased temporarily by the operation of sub-clause (*b*) of the said clause.

Explanation.—Nothing contained in this rule shall affect any rule or order made by the Local Government reducing the cadre of any provincial or subordinate service or of any class or grade therein or abolishing any post otherwise than under the rule published with the notification aforesaid.

2. In rules 3 to 8—

(*a*) 'existing scale of pay' means the scale of pay admissible in respect of the post or posts concerned on the 12th April 1933;

(*b*) 'new scale of pay' means the scale of pay specified in the annexure to these rules in respect of the post or posts concerned; and

(*c*) 'post' means any post the holder of which is under the rule-making control of the Local Government.

3. Notwithstanding anything contained in any rules for the time being in force which were either made by the Local Government in exercise of the powers conferred by the Civil Services (Classification, Control and Appeal) Rules or which may be cancelled or modified by them in exercise of such powers, the pay of every officer holding any post shall, on and from the 13th April 1933, be regulated by the provisions of rules 4 to 8.

4. Every officer holding any post shall be entitled only to the new scale of pay in respect of such post unless he is governed by any of the following rules and except to the extent specified therein.

STATE CENTRAL LIBRARY, THIRUVANANTHAPURAM

5. Every officer who was in the service of the Government before the 15th August 1931 in a substantive, officiating or temporary capacity shall be entitled to the existing scale of pay in respect of any post which he holds or may hold if he had held such post whether in a substantive, officiating or temporary capacity or had been a probationer therefor at any time before the 13th April 1933, irrespective of any break in his tenure of such post.

6. Where any category of posts has been divided into grades (whether on fixed rates or on time-scales) and the posts in the different grades do not carry different degrees of responsibility, every officer who is entitled under rule 5 to the existing scale of pay in respect of any such grade shall be entitled, on promotion to any higher grade (not being a selection grade unless the Local Government specifically direct that this rule shall apply to such selection grade), to the existing scale of pay in respect of such higher grade also.

Illustrations.—(1) Inspectors of Excise are in four grades and the existing scales of pay are Rs. 325, 375, 425 and 525. The new scales of pay for these scales are Rs. 275, 325, 375 and 425. Posts in all the grades carry the same degree of responsibility. An officer now holding a post on Rs. 325 will, if he is found fit for promotion to any higher grade, be entitled on such promotion, to the existing scale of pay, viz., Rs. 375, 425 or 525, as the case may be.

(2) The pay of draughtsmen in the Madras Engineering Subordinate Service is in various grades, viz.—

	Existing scale of pay.	New scale of pay.
	Rs.	Rs.
Head draughtsmen in the Chief Engineers' offices	250—10—300	150—15/2—210
Grade I.—Head draughtsmen in Circle offices and draughtsmen in Chief Engineers' offices	150—10—200	120—10/2—150
Grade II.—Head draughtsmen in Divisional offices, second draughtsmen in Circle offices and draughtsmen in Chief Engineers' offices.	110—6—140	90—10/2—120
Grade III.—Other draughtsmen	60—4—100	60—4/2—80

The posts in the different grades carry different degrees of responsibility. An officer now holding a post in any grade will, therefore, be eligible only for the new scales of pay when promoted to the higher grades.

7. Every officer who was not in the service of the Government before the 15th August 1931 whether in a substantive, officiating or temporary capacity but who has before the 13th April 1933 held any post on the existing scale of pay, shall be entitled only to the new scale of pay in respect of such post:

Provided that all service rendered by any such officer in such post before the 13th April 1933 shall count for increments in the new scale of pay:

Provided further that *unless the Local Government otherwise direct* in any class of cases, a personal pay shall be granted to such officer equivalent to the difference between—(*a*) the pay last drawn by him in the existing scale of pay, and (*b*) the pay to which he would be entitled in the new scale under this rule and any special pay, Presidency allowance or Madras House Allowance granted in lieu of any portion of the pay in the existing scale. Such personal pay shall be absorbed in future increments in the manner specified in Fundamental Rule 37.

8. Where an officer holding a post on the existing scale of pay is appointed to any other post in respect of which he would be entitled under the foregoing provisions only to the new scale of pay, his initial pay in the latter post shall be regulated by the Fundamental Rules unless there is anything to the contrary in any rule relating to such post made under the Civil Services (Classification, Control and Appeal) Rules.

Illustration.—An officer promoted to a post the minimum of the new time-scale of which is less than his substantive pay will enter in such scale at the stage next above his substantive pay. Thus, a Deputy Tahsildar whose substantive pay is Rs. 200 in the existing scale of Rs. 150—5—200 will when promoted as Tahsildar on the new scale of Rs. 175—15/2—250 draw an initial pay of Rs. 205.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant Standard Specification. Samples of materials as called for in the Standard Specifications, or in this tender notice, or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site at work is begun. The Government will not, however, after acceptance of a contract rate, pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available.
